Athletic Council Plans Year's Work

The Pahokee Athletic Council, with Principal Clyde A. Canipe presiding, met Tuesday night to make plans for the coming school year.

The Council voted to have season tickets for the five home games to be played by the Pahokee Blue Devils on Lair Field printed immediately so that they can be placed on sale as soon as possible in advance of the first home game, Sept. 16, which will be the opening game for both the Blue Devils and the Clewiston Tigers as they meet on Lair Field. James W. Vann and Curtis Chase, who represents the Lions Club on the Council, will be in charge of season ticket sales.

Robert Apelgren, Rotary Club representative, was appointed in charge of the seating in the reserved seats sections at the home football games. R. M. (Mike) Sanders and Frank Tillis will have charge of ticket sales at the gates.

A. E. Funderburk, representative from the Pahokee American Legion Post 90, reported that members of Post 90 will again this year, as they have in the past, assist local police with the parking of cars and the handling of the crowds at the home games.

Robert O. Lampi, treasurer, reported a balance of approximately \$400 in the Council treasury, with some bills still to be paid.

No Liquor Near The Junior College Site

The Palm Beach County Commission this week was completing details for the transfer of two parcels of land in John Prince Memorial Park for a Junior College site and a county fair grounds.

Commissioner Roy Michael reported to the board this week that the Palm Beach County Fair Association had agreed to accept a 15-acre tract as a site for permanent fair buildings. The group had first asked for 80 acres, Michael said, but had later agreed to the 15-acre tract which will be located in an area to be set aside as a county fair grounds or for other like activities.

In another action proposed by Michael, the commission adopted a resolution which will restrict the sale of alcoholic beverages in an

646 Students Sign Roll For Pahokee

The enrollment of students at the Pahokee Schools on Friday, the first day of the new school year, totaled 646, according to Principal Clyde A. Canipe.

The enrollment by grades were: 1st, 69; 2nd, 56; 3rd, 55; 4th, 64; 5th, 53; 6th, 52; 7th, 60; 8th, 44; 9th, 62; 10th, 49; 11th, 44, and 12th, 38.

On Tuesday Principal Canipe reported the total enrollment had increased to 669; 364 in the Elementary School and 305 in the Junior and Senior High Schools.

Bids Will Be Sought Monday On New \$20,000 Pahokee Health Center

PALM BEACH COUNTY COMMISSIONERS will accept bids on Monday, September 12 for construction of a new County Health Center at Pahokee. Estimated cost of the building is \$20,000. It will be erected on land just to the north of the Everglades Memorial Hospital and will be paid for in a cooperative effort with the City of Pahokee, Palm Beach County and the Federal Government participation. County Commission Vice Chairman Paul Rardin instigated the health center movement more than two years ago. Commissioner Rardin said that plans are "in the mill" for another center to be erected in Belle Glade just as soon as all of the paper work can be concluded.

St. Regis Buys 95 Pct. Gen. Container Corp.

PENSACOLA — The St. Regis Paper Company has acquired more than 95 per cent of the outstanding stock of General Container Corporation of Cleveland, Ohio as a result of an exchange offer made August 25.

Approximately 1,400 persons are employed in General's nine plants in Ohio, New York, Iowa and Michigan. St. Regis said the acquisition of General Container is a step in its broadening of operations in the paper converting and container fields.

District Governor Visits Lions Club

Dr. Walter H. Campbell of Miami Beach, district governor of Lions District 35-S, was an official visitor and guest at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Manning I. Keen, the district governor spoke on the relation of Lionism to the community, reviewed club activities in his district and outlined plans for the future. He also told of plans already being made for the Lions International Convention to be held in Miami Beach next June.

Mr. Keen reported plans have been completed for the Lions Football Jamboree Clinic to be held on Lair Field Pahokee, Friday, Sept. 9, at 8:15 under the joint sponsorship of the Okeechobee, Canal Point, Pahokee, Belle Glade, South Bay, Clewiston and Moore Haven Lions Clubs.

Two applications for club membership were received at the meeting. President Clyde A. Canipe presided.

The National Association of Manufacturers says the needs for phosphorus and potash will more than double in the U. S. by 1970 because of the growing need for fertilizers.

Vice Chairman Rardin Will Ask County Board Monday Recommend Mrs. Hilda Jensen As Nurse In County Health Dept.

At Monday's meeting of the county commission Vice Chairman Paul Rardin will ask that group to recommend Mrs. Hilda Jensen as nurse in the Palm Beach County Health Department.

Mrs. Jensen is qualified under the state merit system to hold the position, having worked with the department for several years before resigning a few years ago. Mrs. Jensen is the only available nurse in the Glades seeking the position. Vice Chairman Rardin said he expects unanimous support of the board Monday when he puts his motion.

Grid Jamboree Is Scheduled Tonite

A pre-season view of the four top high school football teams of the Lake Okeechobee area in action will be presented to the public in the fifth annual Lions Football Jamboree Clinic to be held on Lair Field in Pahokee Friday, Sept. 9, at 8:15 p. m.

The wraps will be taken off the Okeechobee Brahmas, the Pahokee Blue Devils, the Belle Glade Golden Rams and the Clewiston Tigers long enough for the four teams to demonstrate the various formations and tactics used in football. Coach Carl Ferrara will use his Clewiston Tigers to demonstrate the functioning of offensive systems of attack. This will be followed by demonstrations of defensive formations and tactics by Coach Calvin Peacock's Golden Rams illusive and deceptive plays by Coach Jim Young's Brahmas, and punt and kickoff returns by Coach Webb's Blue Devils.

Individual and team contests have been added on this year's program to make the clinic more interesting and entertaining than ever before. These will include a five-yard shuttle relay race by linemen, eight men to the team; distance punting, one man per team, three kicks by each contestant; 50-yard shuttle relay race

Rardin Re-Appointed To National Rd. Group

County Commissioner Paul Rardin, Canal Point, has been re-appointed to the roads and highways committee of the National Association of County Officials.

The Glades commissioner appointment was announced this week by the national headquarters of the association in Washington, D. C.

The Palm Beach County Commission authorized Rardin to represent the county board at the National Association's mid-winter business meeting to be held in New York November 14 to 16.

Another Assistant For M. U. Mounts

Kent Price, recognized as one of the outstanding judges of dairy cattle in South Florida, has joined the staff of the Palm Beach County agricultural department.

Price was formally introduced to the county commission Tuesday by County Agent M. U. Mounts.

Mounts said Price would be assigned as assistant county agent in charge of the department's dairy cattle division.

Winn & Lovett Grocery Co. has distributed \$231,940.23 to employees participating in its profit-sharing retirement plan. Instituted in 1946, the fund is worth approximately \$4 1/2 million.

Upthegrove Market Will Be Enlarged

Babs Upthegrove plans to have a crew start work Monday morning on enlarging Upthegrove's Market in Pahokee. A concrete addition 45x50 will be erected immediately back of the present building, Mr. Upthegrove said.

Addition of the extra space will give the store a complete overall footage 90x45 for a total of a little more than 4,000 square feet, he said. The new addition will be used for the meat market, storage and will become a part of the entire new structure to be erected next summer, the grocer said.

A parking space just south of the store has been built and will accommodate between 40 and 50 cars. This will relieve the congested parking problem which has prevailed at the Upthegrove Market where cars have been parked on the road shoulder in the past.

Mr. Upthegrove said yesterday that his present plans call for joining MRG—Miami Retail Grocers—a cooperative serving grocers from West Palm Beach to Key West, thereby giving the local store much added buying power.

The proprietor of the store started in business about eight years ago with a small stock of groceries and meats. Through hard work, honest dealing and alert merchandising he has built his store into one of the leading food marts in this area.

Scouts Are Active During The Summer

Pahokee Boy Scout Troop 28, under the leadership of Scoutmaster Louis Mims and Neighborhood Commissioner Ed Carver, who has been assisting Mims with the scoutmaster work, have been very active this summer, maintaining its scouting at a top level.

In addition to the regular weekly meetings the troop spent a week at the Gulf Stream Council's summer camp at Lake Osborne, went on guided tours through the FCD's huge pumping station at Twenty-mile Bend and the Florida Power and Light Company's power plant at Riviera Beach, the second largest in the state.

They also enjoyed weekend camping trips to the Kissimmee River and Fisheating Creek and four (continued on page 8)

144 Pupils Enroll Canal Point School

A total of 144 pupils were enrolled at the Canal Point School on the first day of school, five more at the beginning last year, according to Principal Crawford who is starting his second year as head of the Canal Point School.

By grades the enrollment was: 1st grade, 19; 2nd, 23; 3rd, 13; 4th, 19; 5th, 22; 6th, 15; 7th, 18, and 8th, 15.

Tuesday the enrollment had increased to 153 and Principal Crawford expects it to continue to increase with the advance of the farming season this fall.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Clarification of laws which reportedly prohibits the county from acquiring submerged lands owned by the state, has been asked by the Palm Beach County Commission.

The board, this week heard Commissioner Kenneth Foster report that a new legislative act prohibits the State I I Board from granting lands in this county and several other South Florida areas, for park purposes.

Application for submerged lands off the Riviera Beach Memorial Bridge causeway and the Southern Boulevard Bridge causeway have already been made by the commission.

Plans for using lands at Riviera Beach for additional parking space for Foster Memorial Park have been drafted by the commission as have tentative plans for a road

side park off the Southern Boulevard bridge.

The commission this week instructed County Attorney Harry Johnston to push for procurement of title to the submerged lands or to work out some means for transferring control of the two areas to the county commission.

In another action this week, the commission, at the suggestion of Commissioners Paul Rardin and Roy Michael, instructed County Engineer Steve Middleton, to explore ways and means for drafting a master plan for county roads—present and future—in order that the county can qualify for Federal road building funds.

The board also heard this week that widening a stretch of U. S. Highway 1 in West Palm Beach would probably get underway in

Your Built-in "Air Conditioner" . . .

Fans Give It the Extra Zip Needed

By IRA MILLER
Farm Electrification Bureau

With your fevered brow baking and the corn "popping" in the broiling sun, it may be hard to believe, but . . . your body has its own built-in "air conditioning" system. Of course it may need a little help to function effectively, but it has one nevertheless. Here's how it works: when the temperature rises you start to perspire; when the perspiration evaporates quickly, you feel cool again.

Now there's very little difficulty in perspiring in hot weather. The trick is to get rid of excess perspiration quickly. And, you can do it if you keep the air around you in motion.

Take an uncomfortably warm house on a hot day; for example. You can keep it cool inside, if you apply a few simple principles. In the daytime, summer outdoors air is cooler and more humid than air indoors. So—close the doors and windows and pull down the shades or blinds so that heat can not be transferred into the house from outside. Don't worry about lack of air. There's plenty of it in the house. All it needs is motion to overcome any feeling of stuffiness. An electric fan or fans of the proper rating and correctly located will do an efficient air circulation job for you at little cost.

Fans circulate a given number of cubic feet of air per minute, and this data appears on their nameplates. To get the right size of fans needed, therefore, you must first know the cubic feet of air in the room to be cooled. This is done by multiplying the length of the room x the length of the room x the height of the room. This comes to 2,000 cubic feet. Therefore, as a fan or fans with a total rated capacity of at least 2,000 cubic feet per minute (CFM) will move the air in this room once every minute. In cooler climates a 2 or 3-minute air circulation cycle may be adequate.

Be sure, too, that your fans are located correctly. Figures 1, 1A, 2 and 3 show different types of fans available and the different patterns of air which each creates to cool off your room.

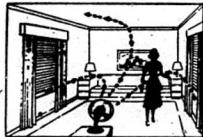

FIG. 1—Non-oscillating fans blow air against opposite wall so it breaks up into a circular air flow which gives circulation without creating draft.

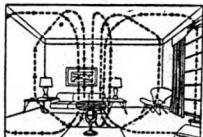

FIG. 1A—Non-oscillating fan tilted upwards blows air toward ceiling breaking up into downward currents providing continuous circulation throughout the room.

FIG. 2—Oscillating fan moves air back and forth in irregular pattern so persons in immediate vicinity quickly feel cooling effect.

FIG. 3—Floor fan in center of room provides pattern of air movement for general circulation.

about 10 days and that the State Road Department has picked a section between Lantana and Delray Beach as the next U. S. Highway 1 widening project in the county.

An attempt to revive the Holy Land project which had been planned for construction north of Jupiter, is being pushed by the Palm Beach County commission.

Commissioner Kenneth Foster this week, was named by the board to arrange an early meeting with Martin County commissioners and other interested parties, to discuss the possibility of carrying through with original plans for the project.

Eddie Dowling, New York executive, several months ago had made preliminary plans for construction of the Holy Land attraction. He later gave up the idea when he failed to complete a lease agreement with the state park commission for use of state lands as a site of the project.

Commissioner Lake Lytal asked

that Foster be named to arrange the meeting and to advise the Martin County group that the Palm Beach County commission is still vitally interested in the project.

Foster added that Gov. LeRoy Collins had expressed interest in the proposal and had urged its completion.

Benjamin Franklin, whose birthday is January 17, was expert in handling money and his advice is as sound today as 200 years ago. All quotations here are from his booklet, "The Way To Wealth," published 1760.

Ben Franklin gives you some expert advice about Payroll Savings

"What though you have found no Treasure, nor has any rich Relation left you a legacy, Diligence is the Mother of Good Luck."

Have you ever wished you had \$1,000, \$5,000 or more—to buy a car, get a home, help you toward retirement? Today, it is actually easy to save such large sums! Because, today, you can have your saving done for you—with automatic diligence—through the Payroll Savings Plan.

"If you would have a faithful Servant, and one that you like, serve yourself."

Serving yourself means *keeping* some of the money you make each week and investing it, for yourself. Here's how: you just name a sum to your company's pay office—a few dollars or as much as you want. Each payday, that sum will be saved from your pay, before you get your check and invested for you in one of the world's finest investments, U. S. Series E Savings Bonds!

"Little Strokes sell great Oaks."

Because Savings Bonds earn good interest, they're soon worth more than the money you've invested in them. And how your savings mount up! Sign for as little as \$5.00 a week and in 9 years, 8 months, you'll have \$2,850 cash. In 19 years, 8 months, you'll have \$6,872!

"One To-day is worth two To-morrows, and farther, Have you somewhat to do To-morrow, do it To-day."

For your own sake, don't put off joining the 8 million Americans who are making their dreams come true through Payroll Savings. Sign up for Payroll Savings today. Or, if you're self-employed, invest in Savings Bonds regularly where you bank. If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

Return to Treas Island

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without you doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check *before* you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Fund Grows For Boy With Deformed Ear

Contributions to a fund which has been launched by two county officials to help defray expenses for a Lake Worth boy, were rolling in early this week.

The fund was inaugurated by County Commissioner Lake Lytal and Dr. W. E. VanLandingham, county physician, to help John Violante of Lake Worth, and his parents, obtain money needed to finance an ear operation for the youth.

The youngsters, according to Commissioner Roy Michael, has spent most of his life in hospitals for treatment of a misformed ear. All financial resources for further treatment had been expended until Lytal and Dr. VanLandingham heard of the case and launched their appeal for help.

More than \$200 had been contributed a few days after the appeal was made and Lytal said this week that a special bank account has been opened to take care of the money.

Among early contributors was the board of directors of the West Palm Beach Little League. The league directors noted that the youth was of Little League age and that their contribution was made in the hope that Violante some day would be able to take part in the baseball program.

Lytal said anyone wishing to make a contribution to the fund could mail donations to the county commission office in West Palm Beach.

Chain Stores Plan Huge Consolidation

JACKSONVILLE — A proposal to consolidate two large supermarket chains will soon be submitted to the directors of each company for consideration. Winn & Lovett Grocery Co., with stores throughout the South, and Dixie Home Stores, operating 116 stores in North and South Carolina and Georgia, have reached a tentative agreement.

Under the proposed plan, one and one-half shares of Winn & Lovett stock would be exchanged for each share of Dixie Home stock.

Winn & Lovett, with headquarters in Jacksonville, now operates 271 food stores in Florida, Georgia, Alabama, Mississippi, South Carolina, Kentucky and Indiana. Its 1954 sales volume was \$260 million. Dixie Home Stores sales volume is reported to be \$80 million annually.

a castle in the air costs nothing —but you can't live in it!

Make your dream house come true! It's easy —through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.

Choose your own savings goal		
If you want approximately		
	\$5,000	\$10,000
Each week for 9 years and 8 months, since.....	\$8.80	\$18.75
Each week for 19 years and 8 months since.....	\$2.75	\$5.50

This chart shows only a few typical amounts of savings goals and the weekly amounts required to meet them. You can save more or less, depending on your pay and the length of time you want to save. You can save as much as a couple of dollars a pay period up to as much as you want. The important thing is, start your Plan today!

Grid Jamboree

(continued from page 1)
by backs, four men per team; football throw for distance, one man per team, three throws by each contestant; 50-yard dash, three men on each team.

The fundamental rules of football and new changes in the rules will be explained by local football officials, as violations of the rules are demonstrated by the players. These demonstrations will be under the direction of Brooks Henderson.

James W. Vanek will serve as master of ceremonies at the clinic. Following his introduction of the teams and their coaches, the National Anthem will be played by the school bands, all of which have been invited to participate.

The co-sponsors, the Pahokee, Belle Glade, Clewiston, South Bay, Canal Point, Okeechobee and Moore Haven Lions Clubs, are cooperating in a united effort to make this year's jamboree surpass those of previous years as a spectacle both for the entertainment and education of the football public.

All school children will be admitted free. Donations of one dollar each will be collected from adults attending the clinic, proceeds to be used to meet the cost of the annual post season football banquet for all the high school teams in the Lake Okeechobee area.

area adjacent to where the county school board will build a new Palm Beach County Junior College.

Meantime the board is waiting for completion of a title search to park lands so that deed restriction which would prohibit construction of the college and fair grounds, can be removed.

The commission this week also: Set public hearings on Sept. 26, for abandonment of a road leading from U. S. Highway 2 to Jupiter Beach Park and for two roads in Palm Beach Farms section. In both cases, the commission said, the roads will be relocated and rebuilt.

Heard a report from County Engineer Steve Middleton saying that plans for a sand transfer station to be built on the Palm Beach Inlet are now being drafted.

Heard a report from Frank Saksler, county aviation director, that he had appeared at a Civil Aeronautics Board hearing in Washington, D. C. last week, to request more commercial airline service for this area.

Jacksonville Plans New Bus Terminal

JACKSONVILLE—The board of directors of the Greyhound Corporation last week approved plans and appropriations for a new million-dollar bus terminal for Jacksonville.

P. G. Howe, president of Florida Greyhound Lines, said construction will probably begin within 60 days. The new terminal will be completely air-conditioned and facilities will include a cafeteria, a drive-in package store and adjacent cocktail lounge, plus additional space to be rented. An innovation in the new terminal will be a tunnel underpass leading directly to and from the loading zone and waiting room by way of escalators.

First Fall Meeting For The Garden Club

The executive board of the Pahokee-Canal Point Garden Club will hold its first meeting of the fall season at the home of the president, Mrs. Lloyd Hundley, Tuesday, Sept. 13, at 2:30 p. m., when plans for the coming year will be discussed and outlined. It is requested that names of prospective new members be given to Mrs. C. M. Todd, chairman of the Hibiscus Circle, and Mrs. E. W. Brandes, chairman of the Geranium Circle, at this meeting.

Delta-C&S Air Lines recently reported a net income after taxes of over a million dollars for the past fiscal year that ended June 30. Total earnings of the company earned \$3.61 per share.

3,465 Folks Receive State Assistance

Thomas E. Penick, Chairman of the District Board No. 10 of the State Department of Public Welfare, reports that in Palm Beach County 3,465 persons were assisted in the three categories of public assistance for the month of August.

A total of 1,555 persons received Old Age Assistance to the amount of \$68,999.50. 80 persons received Aid to the Blind, totaling \$3,985.50. 468 families, representing 1,444 children received Aid to Dependent Children in the amount of \$26,752.00.

In addition, 152 children received services during the month, 33 of whom were in foster homes. The total State and local cost for these child welfare services was \$1,515.37.

There were 5 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the Court.

Palm Beach County is also represented on the District 10 Board by Mrs. Doris Sasser, Pahokee; Doyle Morgan, Delray Beach; Mrs. Linda Turnage and Mrs. Helen Woodward, West Palm Beach.

HUGE CITRUS PROFITS

NEW YORK—Minute Maid Corporation showed a net profit of \$2,233,956 for the past nine months as compared with \$239,989 for the same period in 1954, John M. Fox, president, has reported.

The current report reflects eight months sales from the Snow Crop and Hi-C divisions acquired from Clinton Foods, Inc., last November.

Scouts Are Active

(continued from page 1)
water skiing parties on Lake Okeechobee near Bacon Point. On two occasions Troop 28 had as their guests members of Tom Lanier's Belle Glade Troop and Phelix Slonaker's Canal Point Troop.

During the summer plans were pushed by Troop 28 for the building of a permanent scout house in the Pahokee city park. The City Council at its last meeting voted to cooperate with the scouts in this project, the Scouts to raise \$100 and the city to assume the remainder of the expense of building the scout home. The scouts plan to sell shoe polish and light bulbs to raise funds for their share of the building cost. The city has already started work on the scout home which will be located under part of the swimming pool. When completed the building will be available for use by all Pahokee Boy Scout Troops.

Troop 28 won the district banner, based on advancements and attendance, at the last Glades District Court of Honor and its members have been working hard all summer on additional merit badges and advancements to make a good showing at the next Glades District Court of Honor to be held in Clewiston this month.

Ramblers Furnish Music For Rodeo

The Everglades Ramblers String Band, composed of Bob Dillow, Kenny Williamson and Jimmy Stratton gave performances at the Okeechobee Rodeo Sunday and Monday and furnished music for the square dance in the Okeechobee Woman's Club building Monday night. The Ramblers also played at a recent benefit social and supper at the Wagg Memorial Church in West Palm Beach.

Teenagers To Have Their Own C of C

DUNNELLON—Teenagers will have their own chamber of commerce in this community under the sponsorship of their adult civic organizations, according to plans being developed by John W. Dillil, senior chamber president and public relations director of nearby Rainbow Springs.

Since Dunnellon has no junior chamber, Dillil said his organization would create the teen-age group as a training ground for young citizens who in the future would be civic leaders.

Dillil explained that the teen-age body would be a division of the senior chamber, but would have their own constitution, elect their own officers and sponsor projects they deem are advisable for the growth of Dunnellon.

"So far as I know, there is no similar organization in the United States," Dillil said, "and the success of the teen-age chamber will depend upon the interest youthful citizens take in the project. I can assure them of the complete support and guidance of the senior chamber."

Miss Shirley Watson On Hospital Staff

Miss Shirley Watson, who was graduated as a registered nurse at the commencement exercises held by the Mather School of Nursing, Southern Baptist Hospital, New Orleans, La., on Sept. 1, has accepted a position on the nursing staff at the Everglades Memorial Hospital. Miss Watson enrolled in the Mather School of Nursing following graduation from Pahokee High School.

Her parents, Mr. and Mrs. Paul Watson, and brother, Karl Watson, were present at the commencement exercises and she accompanied them back to Pahokee.
